Comments:

- Each medical school sets its own requirements for admission.
- The requirements listed above are minimums only.
- These courses do NOT satisfy the requirements to graduate from Touro College. Students must choose a Touro College major.
- It is recommended that pre-med students do volunteer field experience in an Emergency room and hospital setting, shadow a physician, and do laboratory research.
- Social Science/Humanities is generally interpreted to include economics, English, history, philosophy, political science, psychology and sociology.
